I Have a dream

[Sophie]
I have a dream
A song to sing
To help me cope
With anything
If you see the wonder
Of a fairy tale
You can take the future
Even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream
I have a dream

[Cast]
I have a dream
A fantasy
To help me through
Reality
And my destination
Makes it worth the while
Pushing through the darkness
Still another mile
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream
I have a dream
I'll cross the stream

[Sophie]
I have a dream
I'll cross the stream
I have a dream

Honey Honey

Honey honey, how he thrills me, a-ha, honey honey
Honey honey, nearly kill me, a-ha, honey honey
I've heard about him before
I wanted to know some more
And now I know what they mean, he's a love machine
Oh, he makes me dizzy

Honey honey, let me feel it, a-ha, honey honey
Honey honey, don't conceal it, a-ha, honey honey
The way that you kiss good night

Way that you kiss me goodnight
The way that you hold me tight
Way that you're holding me tight
I feel like I wanna sing
When you do your thing

I want my Dad to give me away at
my wedding, but according to
Mum's diary I've got three possible
Dads: Sam, Bill or Harry.

Sophie!!!
Do they know?

What do you write to a total
starnger?
"Come to my wedding - you might
be my Dad"?
No, they think mum sent the
invitations - and after reading this
diary I'm not surprised they all said
yes!

Honey honey, how you thrill me, a-ha, honey honey
Honey honey, nearly kill me, a-ha, honey honey

I'd heard about you before
I wanted to know some more
And now I'm about to see
What you mean to me

Money Money Money

I work all night, I work all day
To pay the bills I have to pay
Ain't it sad?

And still there never seems to be
A single penny left for me
That's too bad

In my dreams I have a plan
If I got me a wealthy man
I wouldn't have to work at all
I'd fool around and have a ball

Money, money, money - Must be funny - In a rich man's world
Money, money, money - Always sunny - In a rich man's world
All the things I could do - If I had a little money - It's a rich man's world - It's a rich man's world

A man like that is hard to find
But I can't get him off my mind
Ain't it sad?

And if he happens to be free
I bet he wouldn't fancy me
That's too bad

So I must leave, I'll have to go - To Las Vegas or Monaco
And win a fortune in a game - My life would never be the same

Money, money, money - Must be funny - In a rich man's world
Money, money, money - Always sunny - In a rich man's world
All the things I could do - If I had a little money - It's a rich man's world

Money, money, money - Must be funny - In a rich man's world
Money, money, money - Always sunny - In a rich man's world

All the things I could do
If I had a little money
It's a rich man's world
It's a rich man's world

Mamma Mia

[Donna]
I was cheated by you and I think you know when
So I made up my mind, it must come to an end
Look at me now, will I ever learn?
I don't know how but I suddenly lose control
There's a fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything, o-o-o-oh

Mamma mia, here I go again - My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go?
Mamma mia, now I really know,
My my, I should not've let you go.

I was angry inside when I knew we were through
I can't count all the times I've cried over you
Look at me now, will I ever learn?
I don't know how but I suddenly lose control
There's a fire within my soul
Just one look and I can hear a bell ring

One more look and I forget everything, o-o-o-oh

Mamma mia, here I go again - My my, how can I resist you?
Mamma mia, does it show again? My my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go
Mamma mia, now I really know
My my, I should not've let you go

Mamma mia, here I go again - My my, how can I resist you?
Mamma mia, does it show again?
My my, just how much I've missed you
Yes, I've been brokenhearted
Blue since the day we parted
Why, why did I ever let you go
Mamma mia, now I really know
My my, I should not've let you go

Chiquitita

[Rosie & Tanya]
Chiquitita, tell me what's wrong
I have never seen such sorrow
In your eyes
and the wedding is tomorrow
How I hate to see you like this
There is no way you can deny it
I can see
That you're oh so sad, so quiet

Chiquitita, tell me the truth
I'm a shoulder you can cry on
Your best friend
I'm the one you must rely on
You were always sure of yourself
Now I see
You've broken a feather
I hope
We can patch it up together

Chiquitita
You and I know
How the heartaches come and they go
And the scars they're leavin'
You'll be dancin' once again
And the pain will end
You will have no time for grievin'

Chiquitita
You and I cry
But the sun is still in the sky
And shining above you
Let me hear you sing once more
Like you did before
Sing a new song
Chiquitita

[Donna]
Try once more like you did before
Sing a new song
Chiquitita

Dancing Queen

You can dance - You can jive
Having the time of your life - See that girl
Watch that scene - Diggin' the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music
Getting in the swing
You come to look for a king

[Tanya]
Anybody could be that guy
Night is young and the music's high
With a bit of rock music
Everything is fine
You're in the mood for a dance
And when you get the chance

[Donna / Tanya / Rosie]
You are the dancing queen - Young and sweet - Only seventeen
Dancing queen - Feel the beat from the tambourine
You can dance - You can jive
Having the time of your life - See that girl
Watch that scene - Diggin' the dancing queen

[Donna]
You're a teaser, you turn 'em on
Leave 'em burning and then you're gone
Looking out for another
Anyone will do
You're in the mood for a dance
And when you get the chance

[Donna / Tanya / Rosie]
You are the dancing queen - Young and sweet
Only seventeen - Dancing queen
Feel the beat from the tambourine
You can dance - You can jive
Having the time of your life
See that girl - Watch that scene
Diggin' the dancing queen
See that girl
Watch that scene - Diggin' the dancing queen

Our last summer

HARRY:
I can still recall - Our last summer
I still see it all - Walks along the Seine
Laughing in the rain - Our last summer - Memories that remain

We made our way along the river
And we sat down in the grass by the Eiffel tower
I was so happy we had met - It was the age of no regret - Oh, yes - Those crazy years
That was the time of the flower-power - But underneath
We had a fear of flying - Of growing old - A fear of slowly dying - We took our chance
Like we were dancing our last dance

HARRY & DONNA:
I can still recall - Our last summer - I still see it all

HARRY:
In the tourist jam

DONNA:
Round the Notre Dame

HARRY & DONNA:
Our last summer - Walking hand in hand

DONNA:
Paris restaurants

HARRY & DONNA:
Our last summer

HARRY:
Morning croissants

HARRY & DONNA:
Living for the day - Worries far away - Our last summer - We could laugh and play

DONNA:
And now you're working in a bank - The family man, a football fan
And your name is Harry - How dull it seems - Yet, you were the hero of my dreams

HARRY & DONNA:
I can still recall - Our last summer - I still see it all - Walks along the Seine
Laughing in the rain - Our last summer - Memories that remain

Lay all your love on me

[Sky]
I wasn't jealous before we met
Now every man that I see is a potential threat
And I'm possessive, it isn't nice
You've heard me saying that smoking was my only vice
But now it isn't true
Now everything is new
And all I've learned
Has overturned
I beg of you

[Sophie]
Don't go wasting your emotion
Lay all your love on me

It was like shooting a sitting duck
A little small talk, a smile and baby I was stuck
I still don't know what you've done with me
A grown-up woman should never fall so easily
I feel a kind of fear
When I don't have you near - Unsatisfied - I skip my pride - I beg you dear

[Sky]
Don't go wasting your emotion - Lay all your love on me

[Boys]
Don't go sharing your devotion - Lay all your love on me

[Sophie]
I've had a few little love affairs
They didn't last very long and they've been pretty scarce

[Sky]
I used to think that was sensible - It makes the truth even more incomprehensible

[Sophie]
'Cause everything is new
And everything is you
And all I've learned
Has overturned
What can I do?

Super Trouper

[Donna, Tanya & Rosie]
Super Trouper - Beams are gonna blind me - But I won't feel blue
Like I always do - 'Cause somewhere in the crowd - There's you

[Donna]
I was sick and tired of everything - When I called you last night from Glasgow
All I do is eat, and sleep, and sing - Wishing every show was the last show
So imagine I was glad to hear you're coming - Suddenly it feels alright
And it's gonna be so different - When I'm on the stage tonight - Tonight the

[Donna, Tanya & Rosie]
Super Trouper - Lights are gonna find me
Shining like the sun - Smiling, having fun
Feeling like a number one - Tonight the - Super Trouper
Beams are gonna blind me - But I won't feel blue - Like I always do
'Cause somewhere in the crowd - There's you

[Donna]
Facing twenty thousand of your friends
How can anyone be so lonely?
Part of a success that never ends
Still I'm thinking about you only
There are moments when I think I'm going crazy
But it's gonna be alright
And it's gonna be so different
When I'm on the stage tonight
Tonight the

Feeling like a number one - Tonight the - Super Trouper - Beams are gonna blind me
But I won't feel blue - Like I always do - 'Cause somewhere in the crowd
There's you

[Donna]
So I'll be there - When you arrive
The sight of you will prove to me - I'm still alive
And when you take me in your arms - And hold me tight
I know it's gonna mean so much tonight - Tonight the

Gimme Gimme Gimme

Half past twelve - And I'm watching the late show in my flat all alone
How I hate to spend the evening on my own

Autumn winds - Blowing outside my window as I look around the room
And it makes me so depressed to see the gloom - Is there a man out there
Someone to hear my prayer…

Gimme gimme gimme a man after midnight
Won't somebody help me chase the shadows away
Gimme gimme gimme a man after midnight
Take me through the darkness to the
break of the day

Movie stars
Find the end of the rainbow, with a fortune to win
It's so different from the world I'm living in
Tired of T.V.
I open the window and I gaze into the night
But there's nothing there to see, no one in sight
Is there a man out there
Someone to hear my prayer

Gimme gimme gimme a man after midnight
Won't somebody help me chase the shadows away
Gimme gimme gimme a man after midnight
Take me through the darkness to the break of the day

Gimme gimme gimme a man after midnight
Won't somebody help me chase the shadows away
Gimme gimme gimme a man after midnight
Take me through the darkness to the break of the day

Is there a man out there
Someone to hear my prayer

Gimme gimme gimme a man after midnight
Won't somebody help me chase the shadows away
Gimme gimme gimme a man after midnight
Take me through the darkness to the break of the day

Voulez vous

People everywhere - A sense of expectation - Hangin' in the air
Givin' out a spark - Across the room your eyes - Are glowin' in the dark
And here we go again - We know the start - We know the end
Masters of the scene - We've done it long before
And now we're back - To get some more - You know what I mean

Voulez-vous - Take it now or leave it - Now is all we get -
Nothing promised - No regrets
Voulez-vous - Ain't no big decision - You know what to do - La question
C'est voulez-vous - Voulez-vous

And here we go again - We know the start
We know the end - Masters of the scene
We've done it long before - And now we're back
To get some more - You know what I mean

Now is all we get - Nothing promised - No regrets

SOS

Where are those happy days
They seem so hard to find
I try to reach for you, but you have closed your mind
Whatever happened to our love
I wish I understood
You used to be so nice, you used to be so good
So when your near me darling
Can you hear me - S.O.S
The love you gave me, nothing else can save me - S.O.S
When your gone
I cannot even try to go on
When your gone
Though I try, I cannot carry on
You seem so far away
Though you were standing near
You made me feel alive
But something died, I feel
I really tried to make it out
I wish I understood
What happened to our love
It used to be so good
So when your near me darling
Can you hear me
S.O.S
The love you gave me, nothing else can save me
S.O.S
When your gone
How can I even try to go on
When your gone
Though I try, I cannot carry on
So when your near me darling
Can you hear me
S.O.S
And, the love you gave me, nothing else can save me
S.O.S
When your gone
How can I even try to go on
When your gone
Though I try, I cannot carry on

Does your mother know ?

You're so hot, teasing me
So you're blue
but I can't take a chance on a chick like you
That's something I couldn't do
There's that look in your eyes
I can read in your face that your feelings are driving you wild
Ah, but girl you're only a child

Well I can dance with you honey
If you think it's funny
Does your mother know that you're out?
And I can chat with you baby
Flirt a little maybe
Does your mother know that you're out?

Take it easy (take it easy) - Better slow down girl
That's no way to go - Does your mother know?
Take it easy (take it easy)
Try to cool it girl - Take it nice and slow
Does your mother know?

I can see what you want
But you seem pretty young to be searching for that kind of fun
So maybe I'm not the one
Now you're so cute, I like your style
And I know what you mean when you give me a flash of that smile (smile)
But girl you're only a child

Well I can dance with you honey
If you think it's funny
Does your mother know that you're out?
And I can chat with you baby
Flirt a little maybe
Does your mother know that you're out?

Take it easy (take it easy) - Better slow down girl
That's no way to go - Does your mother know?
Take it easy (take it easy) - Try to cool it girl
Take it nice and slow - Does your mother know?

Well I can dance with you honey - If you think it's funny
Does your mother know that you're out? - And I can chat with you baby

Slipping through my fingers

DONNA:
Schoolbag in hand - She leaves home in the early morning
Waving goodbye - With an absent-minded smile
I watch her go - With a surge of that well-known sadness
And I have to sit down for a while
The feeling that I'm loosing her forever
And without really entering her world
I'm glad whenever I can share her laughter
That funny little girl

Slipping through my fingers all the time - I try to capture every minute
The feeling in it - Slipping through my fingers all the time
Do I really see what's in her mind
Each time I think I'm close to knowing - She keeps on growing
Slipping through my fingers all the time

Sleep in our eyes - Her and me at the breakfast table
Barely awake - I let precious time go by
Then when she's gone - There's that odd melancholy feeling
And a sense of guilt - I can't deny
What happened to the wonderful adventures
The places I had planned for us to go
Well some of that we did
But most we didn't
And why I just don't know

Slipping through my fingers all the time - I try to capture every minute
The feeling in it - Slipping through my fingers all the time
Do I really see what's in her mind - Each time I think I'm close to knowing
She keeps on growing - Slipping through my fingers all the time

DONNA & SOPHIE:
Sometimes I wish that I could freeze the picture
And save it from the funny tricks of time
Slipping through my fingers -

DONNA:
Schoolbag in hand
She leaves home in the early morning
Waving goodbye with an absent-minded smile

The winner takes it all

[Donna]
I don’t wanna talk
About things we’ve gone through
Though it’s hurting me - Now it’s history
I’ve played all my cards - And that’s what you’ve done too
Nothing more to say - No more ace to play

The winner takes it all - The loser standing small
Beside the victory - That’s her destiny

I was in your arms
Thinking I belonged there
I figured it made sense
Building me a fence
Building me a home
Thinking I’d be strong there
But I was a fool
Playing by the rules

The gods may throw a dice - Their minds as cold as ice
And someone way down here - Loses someone dear

The winner takes it all - The loser has to fall
It’s simple and it’s plain - Why should I complain?

But tell me does she kiss
Like I used to kiss you?
Does it feel the same
When she calls your name?
Somewhere deep inside
You must know I miss you
But what can I say?
Rules must be obeyed

The judges will decide - The likes of me abide
Spectators of the show - Always staying low
The game is on again - A lover or a friend
A big thing or a small - The winner takes it all

I don’t wanna talk - ’Cause it makes me feel sad
And I understand - You’ve come to shake my hand
I apologize -If it makes you feel bad - Seeing me so tense

I do I do I do

Love me or leave me, make your choice but believe me
I love you
I do, I do, I do, I do, I do
I can't conceal it, don't you see, can't you feel it?
Don't you too?
I do, I do, I do, I do, I do

Oh, I've been dreaming through my lonely past
Now I just made it, I found you at last

So come on, now let's try it, I love you, can't deny it
'Cos it's true
I do, I do, I do, I do, I do

Oh, no hard feelings between you and me
If we can't make it, but just wait and see

So come on, now let's try it, I love you, can't deny it
'Cos it's true
I do, I do, I do, I do, I do
So love me or leave me, make your choice but believe me
I love you
I do, I do, I do, I do, I do
I can't conceal it, don't you see, can't you feel it?
Don't you too?
I do, I do, I do, I do, I do

When all is said and done

Here's to us one more toast
And then we'll pay the bill
Deep inside, both of us
Could feel the autumn chill

Birds of passage you and me
We fly instinctively
When the summer's over
And the dark clouds hide the sun
Neither you nor I'm to blame
When all is said and done

It's been there in my dreams
The scene I see unfold
Two at last, flesh and blood
To cherish and to hold

Jealous fools will suffer, yes
I know and I confess
Once I lost my way when
Something good had just begun
Lesson learned, it's history
When all is said and done

In our lives we have walked
Some strange and lonely treks
Slightly worn, but dignified
And not too old for sex

Clear-headed and open-eyed
With nothing left untried
Standing calmly at the crossroads
No desire to run
There's no hurry anymore
When all is said and done

Standing calmly at the crossroads
No desire to run
There's no hurry anymore
When all is said and done

Take a chance on me

If you change your mind, I'm the first in line - Honey I'm still free
Take a chance on me - If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling down
If you're all alone when the pretty birds have flown
Honey I'm still free - Take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try

Take a chance on me - (That's all I ask of you honey) - Take a chance on me

We can go dancing, we can go walking, as long as we're together
Listen to some music, maybe just talking, get to know you better
'Cos you know I've got
So much that I wanna do, when I dream I'm alone with you
It's magic - You want me to leave it there, afraid of a love affair
But I think you know - That I can't let go

If you change your mind, I'm the first in line - Honey I'm still free
Take a chance on me - If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling down
If you're all alone when the pretty birds have flown
Honey I'm still free - Take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try

Take a chance on me - (Come on, give me a break will you?)
Take a chance on me

Oh you can take your time baby, I'm in no hurry, know I'm gonna get you
You don't wanna hurt me, baby don't worry, I ain't gonna let you
Let me tell you now - My love is strong enough to last when things are rough
It's magic - You say that I waste my time but I can't get you off my mind
No I can't let go - 'Cos I love you so

If you change your mind, I'm the first in line - Honey I'm still free
Take a chance on me - If you need me, let me know, gonna be around
If you've got no place to go, if you're feeling down
If you're all alone when the pretty birds have flown
Honey I'm still free - Take a chance on me
Gonna do my very best, baby can't you see
Gotta put me to the test, take a chance on me
(Take a chance, take a chance, take a chance on me)

Ba ba ba ba baa, ba ba ba ba baa - Honey I'm still free
Take a chance on me - Gonna do my very best, baby can't you see
Gotta put me to the test, take a chance on me - (Take a chance, take a chance, take a chance on me)

Ba ba ba ba baa, ba ba ba ba baa ba-ba
Honey I'm still free
Take a chance on me

Waterloo

My, my
At Waterloo, Napoleon did surrender
Oh yeah
And I have met my destiny in quite a similar way

The history book on the shelf
Is always repeating itself

Waterloo, I was defeated, you won the war
Waterloo, promise to love you, for ever more
Waterloo, couldn't escape, if I wanted to
Waterloo, knowing my fate, is to be with you
Woh, woh, woh, woh
Waterloo, finally facing my Waterloo

My, my
I tried to hold you back, but you were stronger
Oh yeah
And now it seems my only chance is giving up the fight

And how could I ever refuse
I feel like I win when I lose

Waterloo, I was defeated, you won the war
Waterloo, promise to love you, for ever more
Waterloo, couldn't escape, if I wanted to
Waterloo, knowing my fate Is to be with you
Woh, woh, woh, woh
Waterloo, finally facing my Waterloo

So how could I ever refuse
I feel like I win when I lose

Waterloo, couldn't escape if I wanted to
Waterloo, knowing my fate is to be with you
Woh, woh, woh, woh
Waterloo, finally facing my Waterloo
Ooh, ooh, ooh, ooh
Waterloo, knowing my fate is to be with you

Thank you for the music

I'm nothing special, in fact i'm a bit of a boy
When I tell a joke, you've probably heard it before
But I have a talent, a wonderful thing
Cause everyone listens when I start to sing
I'm so gratful and proud - All I want is to sing it out loud

So I say thank you for the music - The songs I'm singing
Thanks for all the joy they're bringing - Who can without it
I ask in all honesty - What would life be
Without a song or a dance - What are we
So I say thank for the music - For giving it to me

Mother says I was a dancer before I could walk
She says I began to sing long before I could talk
But I often wonder how did it all start
Who found out that nothing could capture a heart like a melody can
Well who ever it was I'm a fan

So I say thank you for the music - The songs I'm singing
Thanks for all the joy they're bringing - Who can without it
I ask in all honesty - What would life be
Without a song or a dance - What are we
So I say thank for the music - For giving it to me

I've been so lucky - I am the girl with golden hair
I want to sing it out to everybody - What a joy, what a life, what a chance

So I say thank you for the music
The songs I'm singing
Thanks for all the joy they're bringing
Who can without it
I ask in all honesty
What would life be
Without a song or a dance
What are we
So I say thank for the music
For giving it to me
So I say thank for the music
For giving it to me.
